

“Scheck’s maintenance staff and project team have done an excellent job of increasing reliability and production while minimizing downtime and emergency call-outs at our facility.”

***–John Arch,
Manager, Milling Division,
Cerestar, USA***

contract maintenance

For more than 20 years, Scheck’s expertise in maintenance services and management has helped our clients in the chemical, industrial, and institutional arenas maintain excellence in plant and facility operation.

Our unflinching drive for customer satisfaction enables us to minimize our clients’ costs while increasing reliability and productivity.

Clients such as Kellogg’s, CITGO, Kraft, Exxon Mobil, Akzo Nobel, Pfizer, Best Foods, Sherwin-Williams, and Corn Products have repeatedly witnessed our innovative and consistent approach to maintenance solutions. You, too, can experience this proven approach for yourself.
